School SEND Partnership Offer

➔ Behaviour Strand

Academic Year: September 2024 – July 2025

Orbis Educational Trust are proud to provide a Behaviour 'Bolt On' Service to our growing SEND Partnership. Growing to 45 schools across North and West Northamptonshire County Council in the SEND Partnership, we want to continue to evolve our offer to you and now provide you with quality, research-driven CPD in order to support the behaviour needs in your schools.

Nationally, 31% of teachers feel they cannot access the training and development support for behaviour related to their child's needs. Furthermore, 73% of staff said negative behaviour had a detrimental impact on their health and wellbeing. With the Behaviour Strand, we will provide you with specialist, trusted, quality training to support all students and staff within your schools. This strand, just for SEND Partnership Schools, is a great opportunity to learn and collaborative whilst learning from recommended professionals in their field. Whether that be the SENDCO, school leaders or teachers, this service is a fantastic offer which is sure to support your schools.

This offer will include:

3 x termly events with key note guest speakers

1 x outreach service from Orbis Education Trust (please contact jdyson@hunsburypark.org for further details)

This supportive, non-judgemental service will include 3 different stages as outlined below:

Engage	Initial meet with school staff to discuss support required - <i>This could include a parent meeting if requested for individuals</i>
Explore	Observation of school/child in their setting and secondary discussion with staff. Exploration of support offered with recommendations provided.
Evaluate	Return visit to measure impact and review the current situation.

Cost per school: *This outreach service will be provided free of charge under the SEND Partnership Offer.*
